Veolia Business Development Energy & Water Conference in Kyiv

On March 28th Veolia Ukraine hosted a Business Development Energy & Water Conference in Kyiv, headed by the Senior Executive Vice President for Central & Eastern Europe Mr. Philippe GUITARD, the Country Managers and Experts from Poland, Czech Republic, Hungary, Lithuania, Armenia and Ukraine.

The purpose of this conference was to give an overview about the political, economic, financial and legal framework and discuss about business opportunities for Veolia in energy and water areas in Ukraine.

Veolia Ukraine had a pleasure to welcome during the conference Her Excellency Madam Isabelle DUMONT, Ambassador of France in Ukraine, the Vice Governor of Zaporizhya region, Mr. SKOBLIKOV Viktor and the Deputy Head of Kyiv city State Administration, Mr. PANTELEYEV Petro.

Following the constructive and very positive discussions and exchanges was created an Expert Group, who will be in charge of the implementation of the future projects in the energy and water sectors in Ukraine.

Veolia has been operating in Ukraine since 1995 in the waste management area which represents a core business line on the local market. Today Veolia Ukraine is managing activities through four subsidiaries located in Kyiv, Ternopil, Chernivtsi and Yalta. The company has achieved ISO 9001:2015 certification for all its sites across Ukraine.
